Hello, fellow Democrats!

We are Peggy and Dennis Sposato, the Ocean County Democratic Committee members in your district (#3). Our role is to be a resource for voters in our district. In this letter, we want to briefly share a few ideas, and what you can do to help.

Democracy is at risk:

There are many important Democratic values that need our time and attention, but the most important is democracy. If we lose democracy, we will not get it back. It frightens us to think of what it would be like to live under a dictatorship like Putin's Russia.

There are a lot of us:

We were happily surprised to find out how many Democratic voters live in our district. We are not as visible and loud as the Republicans, but if we come together we can accomplish a lot.

What you can do:

- Plan to vote in November.
- Encourage others to vote.
- Stay informed.
- Visit our website, <https://www.GreatBayDems.com>, and Facebook page (search for "Great Bay Democrats") or use the QR code below.
- Come to a meeting and/or consider becoming a member.

If you have any questions or would just like to talk to us, you can reach us at:

Thanks for reading this and we hope to meet you one day soon.
